

Flags at all DPCDSB schools and facilities will be flown at half-staff from Friday, April 26 through the  
Injured in the Workplace, which takes place on Sunday, April 28.

*Loving God, today we remember and pray for those who have been either injured or have lost their lives  
while performing work related duties.*

*Help us to support those who have lost a family member or friend in this way.*

*Help us to learn about and to care about workers who do not have fair wages, just benefits and, most of  
all, a safe working environment.*

*Help us to continue to raise our voices for justice for all workers, the dignity of each worker and the  
safety of all.*

*Amen.*
