

The Dufferin-Peel Catholic District School Board (DPCDSB) has received funding to rebuild the existing St. Anne Catholic Elementary School (SE). The contractor is currently mobilized onsite and demolition of the existing building is imminent. Part of the demolition includes removal of the existing fence that surrounds the property. Once the existing fence is removed, a temporary construction fence will be installed. A new permanent 1.8 m (6 ft) black chain link fence will be installed near the end of project completion.

Fence removal will take place on Monday February 26.

any objects

Residents/Property Owners

Dear Neighbour:

currently leaning on the existing fence \_\_\_\_\_ be removed or relocated so they are not damaged during the fence removal process. DPCDSB and its contractor will not be held responsible if damage occurs to items not removed or relocated.

Please note that DPCDSB will only be removing fencing on DPCDSB property. The existing fences along the driveway entrance from Vodden Street circled below are located on private property and will remain. Any existing wooden fences leaning on the chain link fence will also not be removed or repaired.

Thank you for your cooperation.
